SPEED—When the TWA gets going on its new schedule, it will be possible for a Gothamite to have lunch in New York and get here in time for cocktails before dinner. For the TWA will use sister ships to the Lockheed Constellation which Monday crossed the continent in 6 hours and 58 minutes. . . . Figuring the time difference—our New York friend could have lunch there at 1 p. m., board his plane at 2, be in the Village at 9, New York time, which is only 6 p. m. here, time for an appetizer before dinner. . . . Visiting New Yorkers could also read home editions of their favorite afternoon newspaper that same evening—even PM if they felt that way. . . . I could go on about that TWA trip for a full column. Mrs. G. always said I was a fall guy for statistics.

RADIO—Business opportunity: Some enterprising soul should go to the top of San Jacinto and put up six or seven aerials and pipe them down to the Village. In that way, we'd get good radio reception and you could take your choice of programs. Ought to pay, for the mountains and local man-made static make even me a better singer than Frank Sinatra and I can't carry a tune across the room. . . . How much time do you figure is consumed on the average radio program in commercials? Have discovered a good way to listen to my favorite radio programs all in a bunch. Short-wave station KROJ in San Francisco puts out recordings of all of the big programs for the boys overseas on Saturday nights and the commercials are eliminated. Last Saturday night I listened to the current Hit Parade on KNX and 20 minutes later listened to the Hit Parade of the week before going to the boys in the South Pacific via KROJ. The regular broadcast with commercials and its "sold American" took 45 minutes—the army version slightly less than 30. . . . Same with other popular programs. It wasn't an exactly popular maneuver, however. The rest of the household had heard all of the programs during the week.

THE VILLAGE—In the window at the Waikiki is a clever poster drawn by Lt. Robert A. Hall, former well known Villager. He did it while in the Village between shifts in the South Pacific war area. The likenesses of Portugee Joe, Mitzi and Happy are perfect. . . . Mrs. Pete Sheptenko is a fine example of a wife carrying on while the old man is in the army. She has several good sales to her credit which is a great morale builder for the Village realtor, now giving the army his all. . . . A Village woman who read somewhere that in Africa there are so many dialects that in many cases parents and children talk different languages, wants to know what's new about that. "You need an interpreter to know what your high school age daughter is saying over the phone nowadays," she said.

MUSIC—Evolved a system to beat the Hit Parade this week. Got a phonograph and make up my own Parade now. I don't have to wait for Saturday nights, either. Also dug up a lot of the old records. I'll bet there are other Villagers who'd like my Hit Parade. "The World is Waiting for the Sunrise," "Whispering," "Who," (why, surely), "Cuddle Up," "Hindustan," and so on. . . . See where "Do Nothing 'Til You Hear From Me" made the Hit Parade last week. That one should go up. Will have it on mine as soon as Ted Reed can get me that record. . . . Might even include some cowboy songs in case any of my neighbors belong to the Los Compadres. . . . "Sheet music publishers had a little trouble when that song 'It Happened in Old Monterey' was produced. In old Mexico 'Monterey' is spelled with two r's and copies for consumption above the border drew a laugh below.

WAR—Maybe they won't have to fight it out along that line even if it takes all summer. Henry Ford said recently the war would be over in Europe in 60 days. Now comes Sgt. Alvin York, World War I hero: "I'm going to make one prediction. This is nothing official but in my opinion, after April 15 Germany will be out of the war in 60 days," he said. That would be June 15, a week before summer begins. . . . Recent headline said synthetic girdles won't be available until after the invasion of Europe. There'll be a lot of second fronts over here, too, then. . . . One of my favorite dinners is going to stage a come-back. The OPA says lamb points will be cut in half. My, my, leg of lamb!

2 Villagers Lose Lives In Accident

Ray Hallor, Well Known Resident, One of Victims

Two persons were killed and four were injured, three seriously, in a head-on automobile accident on the highway between Palm Springs and Cathedral City, a few miles from the Village, at midnight Saturday. The dead: Ray Hallor, 43, well known Palm Springs resident and former silent screen actor.

Louis Ayala, resident of the reservation, Palm Springs.

FOUR ARE INJURED

The injured: Jennie Quesada, 17, of Banning, broken rib and severe cuts. Mrs. Christine Montez, 31, of Banning, broken leg, cuts and bruises. Frank Reyes, of Palm Springs, fractured wrist, bruises. Paul Ayala, of Palm Springs, cut and bruised.

With the exception of Paul Ayala, the injured are in hospitals at Riverside.

Both automobiles were demolished in the accident, one on either side of the highway.

INFORMS POLICE

A passing motorist overtook Policeman Harry Haan as he was driving north on Palm Canyon drive and told him of the crash. Haan at once went to the scene and found the wrecked cars with the injured strewn over the highway. He called the city ambulance which responded at once with Policeman Stephen Smith driving and Policeman Orest Johnson with him.

Mr. Hallor succumbed before he could be placed in the ambulance. The two women were taken (Please Turn to Page 6)

Juke Box Law Just A Discard

Juke boxes played the requiem for the retiring council Tuesday night at city council chambers and provided hot links for the incoming board when Ordinance No. 146, amending a previous licensing measure, came up for final adoption.

The measure, eased somewhat from its original terms, provides a \$12 annual license for coin machines vending food commodities and for weighing machines, \$25 for others and \$50 for phonographs and juke boxes with \$50 (Please Turn to Page 12)

Cpl. Marcus Caro Awaits Chance to Use New Privilege

There'll be a new cross stamped on ballots down in Precinct 1 hereafter. The first behind that stamp will be that of Cpl. Marcus Caro, prominent former Village restaurateur, now stationed at the army air base here.

For Cpl. Caro became a citizen of the United States last Friday at a class conducted in Riverside court house. Cpl. Caro had started proceedings to become a citizen some years ago but for a civilian it is slow process. But once he was in the army, action was speeded up and last week he received the coveted papers. Now he is awaiting his first chance at a polling booth.

Gordon E. Feekings Named Chamber of Commerce President

Gordon Feekings, prominent Villager and much interested in civic affairs, will head the Palm Springs Chamber of Commerce as president for the new year as result of the organization meeting of the recently elected directorate of the Chamber, held last Friday in the Spanish Room of the Desert Inn.

PRESIDENT—Gordon Feekings, prominent Village business man, who will head Chamber of Commerce as president for coming year.

School Board Elections Set For May 19

The third week in May will be a busy one for voters. The May 16 primary election, on Tuesday of that week, isn't the only election to be held here.

On Friday, May 19, voters of the Desert School district and of the Palm Springs high school district, will go to the polls to pick school trustees.

On the Desert District board, the term of Frances F. Crocker expires. He will be a candidate to succeed himself. Hold-over members of the board are Mrs. Nellie N. Coffman and Mrs. Culver Nichols.

Terms of two high school trustees expire this year. They are Charles Burket, president of the board, and Eugene E. Therieau. Both are candidates to succeed themselves.

Hold-over members of the high school board are W. R. Hillery, John Sprague and Dr. Frank Purcell.

Polling places will be at the schools.

Francis Crocker Resigns as Member Of City Planners

Francis F. Crocker, member of the city planning commission for many years, this week tendered his resignation. Press of other business was given as the reason.

The resignation was accepted with regret and on motion of Councilman C. P. Adams, a vote of thanks for able and efficient service to the city was presented Mr. Crocker.

Palm Springs High to Greet Parents, Friends, Thursday

Palm Springs high school will observe Public School Week with Open House next Thursday evening, Dr. E. E. Oertel, principal, announced today. Parents and friends will be greeted from 7:30 o'clock on. Exhibits of the work being done and a program will be featured.

Francis F. Crocker was elected first vice-president, Cecil Isenagie, second vice-president, Merrill Crockett, secretary, Fred Ingram, treasurer, and Walter Kofeldt, executive secretary.

DIRECTORS INTRODUCED

Carl G. Lykken, retiring president, called the meeting to order and introduced the new directors, elected at the annual meeting of the chamber at the city council chambers on April 4.

Besides the election of officers for the new year, the board heard and acted on matters involving additional airplane transportation for the Village, discussed the campaign against converting the San Jacinto-San Geronimo mountain area into a national monument, acted on a resolution to put federal-controlled lands in the county on the same tax basis as privately-owned property, voted to aid the Desert Riders in their work of keeping up trails in the Palm Springs vicinity and acted on routine matters.

EXPLAINS PROGRAM

Clancy Dayhoff of the Transcontinental and Western Air, addressed the board on the proposal of the TWA to include Palm Springs as a regular stop in their continental lines. Directors adopted a resolution urging granting of the application. They also adopted a resolution backing the plan of the Ryan company for airplane lines serving the Village.

Letters from high national officials and organizations and from other county Chambers of Commerce, opposing the creation of a national monument in the San Jacinto-San Geronimo mountain areas were read by Secretary Kofeldt.

AID DESERT RIDERS

Kofeldt was instructed to send a check for \$30 to the Desert Riders, a local organization interested in maintaining trails for horse-back riders in the Village and vicinity, to aid them in repairing the Skyline trail.

Open House At Hospital On Birthday

2nd Anniversary to Be Observed At Torney April 27

Torney General Hospital will be host to Palm Springs residents next Thursday afternoon, April 27, when Organization Day, 2nd anniversary of the arrival of Col. A. B. Jones to assume command, will be celebrated.

Lt. Col. E. T. Thompson, executive and public relations officer of the hospital, extending the invitation of Col. Jones to all Palm Springs residents and their friends, stated a continuous program of special events has been planned for the afternoon from 1 to 5 p. m.

MAP IS GUIDE

Visitors will be admitted without pass through any gate, and each will be given a map which will designate points which may be visited. These will include certain hospital wards and therapy departments, one barracks in the enlisted section and the enlisted mens day room.

At the Post Theater in the Red Cross building a continuous program of training films will be run throughout the afternoon, and, reminiscent of pre-war days, will be the showing of a technical film of the El Mirador hotel.

Officers patients and enlisted patients will meet on the baseball diamond at 2 o'clock with the Torney band present to provide additional interest.

EXHIBITION EVENTS

Exhibition swimming events will be held and visitors will be afforded action views of water training which were recently used as news reel material.

Badminton and ping pong champions among the patient personnel will compete with champions of the enlisted section for Hospital championships, and for those who prefer more rugged sports there will be boxing matches.

AWARD IS PLANNED

Special event of the day is scheduled from 4:30 until 5 p. m. when formal retreat with presentation of awards (Please Turn to Page 12)

Two New Instructors Added to Staff of High School Faculty For Coming Year, Both Experts In Their Fields

Alexander Hammond and Miss Vashke Hronis will have teaching contracts for the next school year signed by the local high school Board of Trustees at its regular May meeting, May 9.

Alexander Hammond, brilliant baritone and substitute teacher in the Los Angeles city schools will teach Spanish and oral expression and will assist in the music department next year at Palm Springs. As Spanish teacher he will replace Mrs. Carmen Cook Simms, who has resigned.

POMONA GRADUATE

Mr. Hammond is a graduate of Pomona College. Since he received his AB degree, he has done graduate work at U.S.C. Graduated from Coachella Valley Union high school, and having spent some time at Mecca, where his sisters are running the Desert Sun school, Hammond will not be a stranger in the desert.

Before securing his general secondary credential, Hammond did extensive professional singing in pictures and radio. He is 37 years of age, is married, and has five children.

Speaking of Speed, Carl G. Lykken Has Proof Things Move

Speaking of speed—Carl G. Lykken, prominent and pioneer Villager, has proof that things do move these days.

When Lockheed's super-transport, Constellation, zipped across the country from Los Angeles to Washington in 6 hours and 58 minutes Monday, she carried a letter mailed in Los Angeles, and addressed to Mr. Lykken, via Washington, D. C.

That letter was postmarked "Los Angeles, April 17." At Washington it was airmailed back to Mr. Lykken. He got it Wednesday.

That letter went from Los Angeles to Palm Springs via the national capital in two days—it sometimes takes a letter that long to get here from Los Angeles via ordinary mail.

Figures Show All-Out Effort For Red Cross

FIGURES SHOW—30-3 Carl E. Haymond, chairman of the Red Cross War Fund campaign which was recently completed here, this week revealed figures showing the whole-hearted manner in which the Village came to the assistance of the Red Cross. Quota for Palm Springs was \$24,000 and before the close of the campaign, \$33,289.70 had been subscribed, \$9,289.70 or 39 percent over the amount sought.

AVERAGE IS HIGH

His report pointed out that the average subscription here was \$8.85 and that during the campaign, 855 joined the Red Cross. An analysis of contributions of \$100 or more showed that 75 donors gave \$13,525.00 or 43 percent of the entire amount raised. Two gifts of \$1,000 were recorded, five of \$500, one of \$350, nine of \$250, three of \$200, six of \$150, one of \$125, and 48 of \$100.

Homer King, Former Village Druggist, Is Taken By Death

Homer Jennings King, former prominent Palm Springs resident, school board member, active in the Lions club and owner of King's Drug store, died Wednesday morning at Banning where he had been living for the past few months. He had been ill for some time, disposing of his business here about a year ago, due to poor health.

Funeral services were held this afternoon at 3 o'clock from Wiefe and Sons chapel in Banning with the Rev. Hiram C. Crosby of St. Stephen's Episcopal church, officiating. Interment was on Sunnyslope.

Mr. King came here from Banning in 1937, establishing King's Drug Store. After six successful years here, failing health forced him to dispose of his business and the family moved back to Banning. He was a native of Texas and a graduate of the University of Alabama.

He is survived by his wife, Mrs. Lillian King and one daughter, Miss Patricia King, his father and one brother in Alabama and two brothers in the armed services.

4th District Councilman Unopposed

Newly Elected City Council Now On The Job

Eugene E. Therieau, councilman from the fourth district, became mayor of Palm Springs Tuesday night when the newly elected city council organized at council chambers and got down to business immediately.

Following the ceremony of swearing in the councilmen elected at the April 11 election, by Judge Guy Pinney, first business was the election of a mayor.

NO OPPOSITION

Councilman Clarence Hyde from the seventh district, placed Mr. Therieau in the running and councilman Maurice McCann thereupon moved that the nominations be closed. Councilman Culver Nichols of the third district seconded the motion which was adopted unanimously. Mr. Nichols then moved, seconded by Mr. McCann that Mr. Therieau be elected mayor. On the roll call there were five "aye" votes, Mr. Therieau, the new mayor, and Frank V. Shannon, former mayor, passing.

DETAILS COMPLETED

Appointment of committees of the council and to fill any vacancies on city commissions will be presented to council for confirmation by Mayor Therieau at a later meeting.

The mayoralty question was settled following completion of unfinished business by the retiring council, canvass of the vote cast at the April 11 election and adoption of a resolution declaring Councilman McCann of the first district, Councilman Nichols of the third, Councilman Turndet of the fifth and Councilman Hyde of the seventh, elected for the full four-year term, and Councilman Therieau for the two-year term.

57 PERCENT VOTE

Mayor Therieau was appointed a year ago February to succeed Dr. Bacon L. Clifton, resigned, and his unopposed election a week ago was to fill out the balance of Dr. Clifton's term.

A survey of the vote cast revealed that 431 voters out of 757 eligible to vote in the five districts involved, a 57 percent vote.

At a preliminary caucus held by councilmen Monday afternoon at the city hall, Mayor F. V. Shannon and Mr. Therieau were nominated but Mayor Shannon declined to accept. Mr. Therieau then received four votes out of the six cast. At Tuesday night's official election he received five out of five cast.

City Clerk Plans Instructions For Election Officers

City Clerk Louise McCann this week mapped preliminary plans for a "school for election officials" to be held some time early in May, before the May 16 primaries.

Seven precincts, and possibly eight, will have to be manned for the primary election, meaning that more officials for the various precincts will have to be obtained than were engaged in the recent city election.

To acquaint these new election officers, as well as former officers, with the rules, regulations and technicalities of election procedure, Mrs. McCann has planned this course, exact date for which will be announced later.

House guest of Mrs. Florence Robinson of Calle Ajo this week was Mrs. Goldie Yule Williams, prominent Pasadena furrier. It is Mrs. Williams first visit to the Village in ten years and she was amazed at its growth and much thrilled to be back here. Mrs. Robinson, who has been spending the season here, intends to make this her home.

Nellie N. Coffman School to Be Host to Parents Friday

Annual Open House will be staged at Nellie N. Coffman Junior high school on the evening of April 28, Friday, Katherine Finchy, Desert District school superintendent, said this week.

Parents and friends of the school will be welcomed from 7:30 to 9:30 p. m. by members of the faculty and children and will be shown through the buildings. Demonstrations and exhibits of the work being done will be shown. Refreshments will be served.

Cahuilla School held its open house last night and Frances S. Stevens played host to parents and friends a week ago.

Bailey Recovering From Operation at Mayo's, Rochester

A. E. Bailey, of Smoke Tree ranch, former city manager, was operated on at St. Mary's hospital, Rochester, Minn., last week and is making rapid progress toward recovery, according to word to friends here. Mr. Bailey underwent surgery for a sinus trouble, many noted surgeons and physicians witnessed the operation.

"I felt like a guinea pig," he wrote friends here.

St. Mary's hospital at Rochester is reputed the largest in the world. Among other noted patients at the hospital is Harry Hopkins of New Deal fame.

Mr. Bailey wrote that he would probably remain at Rochester for another month.

NOTABLES HERE—Albert Curtin, Lt. Gene Delos C. Emmons and their host, Albert Schwabacker just before Gen. Emmons left the Village for his headquarters in San Francisco.

Notable Military Leader Rests And Relaxes In Village

A distinguish visitor who came to the Village for rest and relaxation and found the latter on the Desert Golf course, has departed for his headquarters at San Francisco much refreshed by his stay here.

He is Lt. Gen. Delos Emmons, commander of the Western Defense area who was guest here of Mr. and Mrs. Albert Schwabacker of San Francisco.

Gen. Emmons is a West Pointer and was in charge of March Field about ten years ago. He was sent to the Hawaiian Islands shortly after the disaster of Dec. 7, 1941, and from there directed the defense of the South Pacific for about a year before being transferred to the Western Defense command.

He has been a frequent Palm Springs visitor and expressed his intention of returning here after the war is over.

Council Rejects Benefit Plea to Avoid Duplication

Request for permission to sell flowers on the streets of Palm Springs May 13 as a benefit for the National Brotherhood of Service for Blind and Shut-Ins was denied by city council this week on motion of Councilman Maurice McCann.

The action was taken after City Clerk Louise McCann read the communication from the society from its Santa Monica offices and Councilman Culver Nichols called attention to the work of the Palm Springs Lions club for the blind, citing the funds raised here for that purpose.

Because of the duplication of charity involved, council denied the Santa Monica request.

Hawaiian Airlines Official In Village

Robert P. Stimpson, connected with the Hawaiian Air Lines, and in Los Angeles on a business trip, was in Palm Springs last week, visiting with Mrs. Homer Overly and Fred Johnson of the Smoke Tree ranch.

Mr. Stimpson was much impressed with the Village and sent copies of The Desert Sun to friends in Hawaii to give them a word picture of Palm Springs.

Swart's Condition Reported Slightly Improved Today

Condition of P. M. Swart, now at Community Hospital in Riverside as result of an illness which developed while he was on a trip to Paris, Texas, to see his son, Lt. Rolland Swart, before the latter left for overseas, was reported improved today.

Mr. Swart, assistant director of public works here, will be at the hospital for two or three weeks more.

Mr. Swart was disappointed on his trip east for a change of orders sent his son to a port of embarkation just before his father arrived.

40,158 Voters On County Register

According to County Clerk Gordon A. Pequegnat, there are now 40,158 voters in Riverside county. The figures were based on a count after registration books closed April 6 for the May 16 primary.

Republicans still hold their lead over democrats with 19,706 of the former and 19,093 of the latter. There were no communists registered in the county.

Brush Fires Keep Local Department Busy During Week

Four brush fires called out the local fire department this week with damage nominal in all instances, according to report of Chief Bill Leonesio.

Sunday's fire was on North Palm Canyon drive near Kenny Paul's service station. Wednesday the department was called out to the reservation where brush was blazing near Alejo street.

Yesterday, a brush fire on North Indian avenue, south of the Desert Retreat, called out the department in the morning while in the afternoon a brush fire on South Palm Canyon drive was quickly quenched.

Chance Re-Union Brings Together 3 Old-Time Friends

It was almost old home-week—by accident—for Lt. Bob Maxwell of the army air base when he was hailed while crossing in front of a parked car on Palm Canyon drive.

In the car were Mr. and Mrs. Dewey Reeder and Hugh Pinney. Reeder, Pinney and Maxwell are old friends. Reeder was roommate at school and Pinney, a sprinter of fame who once forced Charley Paddock to extend himself to a world mark in the century to beat him, competed on Olympic teams together.

Reeder, who now has important war contracts with airplane plants and shipyards, and Mrs. Reeder are guests at the Colonial House during their stay in the Village.

Episcopal Church Vicar to Conduct St. James Mission

The Rev. Robert M. Hogarth will conduct services this summer at the Mission of St. James on Lido Island, Balboa, he revealed this week. The Mission has been dormant for two years and the Rt. Rev. Bertrand Stevens, Bishop of Los Angeles, asked the Village vicar to take over this summer and revitalize the services. Rev. Hogarth accepted this week.

Services at St. Paul's in the Desert, Episcopal church here, where Rev. Hogarth presides during winter months, will be concluded for the summer in the middle of June at which time he will go to the Mission.

"There is no church building in the Mission," said Rev. Hogarth, and services will be held in the new Lido Isle theater. The whole Newport harbor area has been humming with activity since the war began. Many service men are expected to attend the services as the Santa Ana air base is only three miles away and the El Toro Marine base, 15 miles.

"Palm Springs friends summering there will be most welcome."

CHRISTIAN SCIENCE CHURCHES
"The last enemy that shall be
destroyed is death." Paul's declara-
tion to the Corinthians will be the
Golden Text in the Sunday Lesson.
Sermon on "Probation after Death"
in all branches of The Mother
Church, The First Church of Christ,
Scientist, in Boston.

"Be not thou therefore ashamed of
the testimony of our Lord, nor
of me his prisoner," writes Paul
in his second letter to Timothy.
"but be thou partaker of the afflic-
tions of the gospel according to the
power of God; Who hath saved us,
and called us with an holy calling,
not according to our works, but ac-
cording to his own purpose and
grace, which was given us in Christ
Jesus before the world began. But
is now made manifest by the ap-
pearing of our Saviour Jesus Christ,
who hath abolished death, and hath
brought life and immortality to
light through the gospel."

Mary Baker Eddy says in "Sci-
ence and Health with Key to the
Scriptures": "Jesus said substan-
tially, 'He that believeth in me
shall not see death.' That is, he
who perceives the true idea of Life
loses his belief in death." "Suffer-
ing, sinning, dying beliefs are un-
real. When divine Science is uni-
versally understood, they will have
no power over man, for man is
immortal and lives by divine au-
thority."

Sunrise Services In Palm Springs Gain Added Fame

Easter Sunrise services in Palm
Springs were described in a
beautiful brochure, published by
the Chicago Motor club and sent
broadcast throughout the nation.
A copy was received by Walter
Kofeldt, executive secretary of the
local Chamber of Commerce this
week.

Some weeks prior to Easter the
club made inquiries of Kofeldt
about the service. The club was
preparing a booklet listing all of
the Easter Dawn services in the
nation, it was explained.

The Village service is given a
prominent place in the brochure
along with other services in the
nation and Bert Vanderwarf,
manager of the touring and travel
bureau of the club expressed his
appreciation to the local Chamber
for its prompt furnishing of the
necessary data regarding the lo-
cal event.

Special Series of Sermons Prepared By Rev. Hogarth

A special series of sermons on
"Future Life" will be presented
by the Rev. Robert M. Hogarth,
vicar of St. Paul's in the Desert,
Episcopal church, during the Easter
season.

"These sermons will be based
on the explicit statements of our
Lord, Jesus Christ, in the Gos-
pels," Rev. Hogarth said. "Next
Sunday, April 23, I will preach on
'Believing and Knowing,' John
11:25 — 'he that believeth in Me,
though he were dead, yet shall he
live.'"

"Other sermons to follow will
be Life Eternal, God Everpresent,
Spiritual Torment, Heavenly
Mansions."

Alexander Baillie Presents Gift to Community Church

Alexander Baillie of Palm
Springs this week presented the
Community church with a \$1,000
government bond, "in loving
memory of Mrs. Baillie, recently
deceased," Dr. J. R. Macartney,
pastor of the church, announced
this week.

Dr. Macartney said that the
church, in need of larger quar-
ters to carry on its work in the
Village, is looking forward to an
expansion program as soon as
building materials are available.

TO ELECT BOARD

A business meeting of the con-
gregation will be held immedi-
ately following next Sunday morn-
ing's service at the church to
elect trustees to serve during the
coming year and to discuss church
plans.

Dr. Macartney also revealed
plans for an outdoor picnic Sat-
urday evening, May 13, in the
Mashie court where tables will be
spread. The event will follow the
lines of last year's party when
service men were honored. Each
family is asked to bring enough
food for themselves and four
soldiers.

COMMITTEE NAMED

On the committee preparing the
event are Dick Taylor, Harry Har-
low, Horace Veith, Arthur Jen-
ner, C. S. Henderson, Mrs. Mar-
vin Ostrander, Chaplains George
C. Pearson and R. J. Martin.
Community singing and motion
pictures will feature the enter-
tainment.

"All persons in the Village, re-
gardless of church affiliation, who
would like to join in extending
this courtesy to military men in
our midst, are invited to take
part," said Dr. Macartney today.

Lydia Miles and Mildred Nolan
have returned from a few days
spent in Los Angeles shopping
and "doing the town."

Mono and Inyo counties are the
leading trout counties in Cali-
fornia.

Christian Science Broadcast Slated Sunday Morning

Mrs. Eugene V. Griffes of the
local Christian Science church,
called attention to a broadcast
next Sunday morning between
7:31 and 8 a. m. over the Mutual
chain which will be conducted by
S. Palmer Lewis of the Christian
Science Committee on Publication
for the state of New York.

The program will be presented
during the regular "Radio Chap-
el", conducted each Sunday by
Mutual.

St. Paul's Easter Decorations Topic of N. Y. Broadcast

Katherine Morrison McClinton,
author of the new book on
"Church Decorations" to be pub-
lished next month, was in St.
Paul's in the Desert just before
Easter and visited the local
church.

In a letter received this week
from New York, she wrote:

"Thought you might be inter-
ested to know that I described
your church on the radio today
over Margaret McBride's program
describing Easter decorations in
New York churches, and in con-
trast spoke of the simple beauty
of your church, how lovely it was
with the Easter lilies. I also hope
to be able to write a description
soon for the Living Church. I
will write you about photographs
later."

Mr. and Mrs. Pinkney End Season's Stay

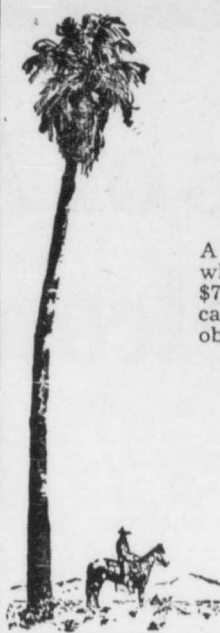

The Rev. and Mrs. Wade Pinck-
ney, who have been making their
winter home here at 465 Calle En-
cilia, left yesterday for their
home in Ithica, New York.

They said on departing that the
winter had been a most delightful
one and that they especially en-
joyed their church affiliations
here.

They expect to return to Palm
Springs in the fall.

Citizens of America's Foremost Desert Resort Welcome Tom Holland's Entry Into Palm Springs Business

Tom Holland

A Man With Personality

are truly applicable to our friend and fellow-citizen, Thomas M. Holland . . . "Tom" to everyone now.

How quickly a personality can ingratiate himself . . . is attested by "Tom". He came to Palm Springs for his health . . . bought a beautiful home . . . furnished with objects d'art tastefully selected on a 'round the world trip.

A successful and self-made business man, "Tom" came to Palm Springs less than a year ago. He has a happy faculty of making friends and before many weeks had passed he had plenty of 'em in Palm Springs. His health improved . . . and being energetic and progressive . . . he looked around with the query "What can I do to help?"

He was selected as Chairman of the WAR CHEST DRIVE. He was "Pep" personified . . . and what a

"You knew me when I first came to town . . . take a look at me now." Those are the words of an old, old song . . . and

success the drive was under his leadership . . . and what a feather in the hat of "America's Foremost Desert Resort."

Came the 4th War Loan Drive . . . "Tom" naturally was the logical man to become General Chairman of the Drive . . . and what a job he did . . . over the top by almost three times . . . National recognition for a job well done.

Then another tough job was proffered . . . Vice-Chairman of the O. P. A. Price Panel . . . he accepted . . . and another tough job was smoothed out in "Tom's" inimitable manner.

Remember all of these jobs were without monetary remuneration . . . done in the spirit of Democracy . . . Patriotism and Americanism . . . his part in the fight for the Four Freedoms.

Health still improving . . . being a merchandise man . . . it was no surprise to those who know "Tom" best . . . to have him purchase the business of our lovable pioneer-merchant, Carl Lykken. So now "Tom" is in business in Palm Springs. We do not have to wish him success . . . he's got it. Welcome "Tom" . . . we like you.

Tom Holland Praises Palm Springs People

TO MY FRIENDS AND THE PUBLIC:

May I take this opportunity to publicly express my sincere appreciation for the many kindly considerations you have shown me in Palm Springs.

I shall remember always the friends I have made here and the gracious help given to me by them and the people during my work as director of your bond drives and other public service.

It is the public spirit and civic mindedness so generally characteristic of Palm Springs people which prompted me to become more closely associated with you by the purchase of the long known and popular Lykken's Department Store, where I will endeavor to deserve the continuation of your good will so well extended to me in the past.

It will be a fixed policy of the Lykken's Department Store to give the utmost in value, courtesy and service to our customers. No patron shall ever leave our store displeased or dissatisfied. We will live up to the past traditions of the store and from time to time increase stocks and spread and extend the usefulness of the establishment to the people of Palm Springs and adjacent areas.

TOM HOLLAND.

Carl G. Lykken Thanks People of the Village

TO THE PEOPLE OF PALM SPRINGS:

Now that I am retiring from business, the mutual esteem and friendship which has existed between us during the 30 years through which I have conducted the Lykken's Department Store, will ever gratefully remain a cherished memory with me.

I do most sincerely thank all of my friends and patrons of the store for their continued support and patronage. May I ask that this good will heretofore shown for me be accorded to my successor, Mr. Tom Holland, who became the owner of the store by purchase from me April 17th.

Under the ownership of Mr. Holland the same human relationship and integrity that has prevailed will be carried on as a store policy and we feel that he will have with him the best wishes of his friends and the public as well as our own for his success as one of the leading merchants of the Village. The several departments of Lykken's will daily render a useful function to the community.

C. G. LYKKEN.

Air's Future Will Be Topic At Next Global Gab Session

"The Future in the Air" will be the subject for discussion at next Wednesday night's meeting of Global Gab at the Fiesta House in the grounds of the Desert Inn. The speaker to introduce the subject will be Cpl. Harvey Malton of Torney General Hospital.

Since the subject is as highly speculative as it is controversial, the meeting will probably be a lively one. Villagers are urged to attend, for although the group was founded originally as a soldier discussion group, it has grown into a sort of weekly town meeting with civilians as well as soldiers discussing the issues of the day that concern them jointly.

The chairman of the meeting will be Miss Thyra Cohen, retired Denver school teacher, and sister of the late Henry Cohen, lawyer and writer. Miss Cohen, who has been one of the mainstays of the group since its start, is the lady who is chiefly responsible for the coffee and cookies which are always served after the formal discussion.

The summarizer of the evening will be Sgt. Alfred Lowenthal of the 21st Ferrying Group, Ferrying Division, ATC, Palm Springs Army Air Base.

Six New Building Permits Issued In Week At City Hall

Six building permits were issued during the week by R. M. Sorum, city manager, for a total of \$2,100.

This week's permits boosted the total for April to date to 13 for a total value of \$6,074.

Building operations for the year to date in the Village reached a total of \$34,846, with 77 permits issued.

This week's building:

April 17 — Bethlehem Church of God and Christ, Section 14, church structure, \$900.

April 18—Leroy Mills, 168 East Via Escuela, remodel, \$150; Geo. Bitler, Section 14, addition, \$200; E. E. Hoppe, 1181 North Palm Canyon drive, addition, \$200.

April 19—E. C. Garland, 1149 Tamarisk road, addition, \$50; Tom Luke, storage house at 377 North Indian avenue, \$600.

Desert Museum to Close May 7; Year Has Been Busy One

The Desert Museum will close for the summer after the evening of May 7, Mr. and Mrs. T. D. A. Cockerell, curators, announced this week. It will reopen for the new season about the middle of October.

Since the museum opened its doors last October 16, more than 12,000 persons have visited it, it was reported. The museum has been open from 10 a. m. to 2 p. m. or later, every day and on Wednesday and Saturday nights for motion pictures. In counting the attendance, Mr. Cockerell said, those who came twice in one day, a frequent occurrence, were counted only once.

Many appreciative letters from visitors have been received at the museum and an even greater season is expected next year.

Shake-Up Results In Torney League, Dentists Now Lead

The standings shifted noticeably after last Friday night's kegling session, when Dental Clinic took four points from the 1st Sergeant's team to take the league lead.

Pennington, anchor man for the D.C.'s leads the way to the top spot with a big 543 series.

The QSVL Strikers came to within one game of second place by topping the Personnel five from the first place, 3-1. Grafice's even 500 series was a big factor in the Striker's win.

Lowly Headquarters came into its own with a decisive 4-0 victory over a hapless Registrar squad. Streeter, fifth man on the Headquarters team, counted 500 pins for the evenings effort.

Detachment of Patients won from the M.P.'s via default, 4-0.

STANDINGS:

Team	Won	Lost
Dental Clinic	22	10
Personnel	21	11
QSVL Strikers	20	12
M.P.'s	15	17
1st Sergeants	14	18
Headquarters	14	18
Registrar	12	20

Exhibit of Bernard Photographs to Be Shown At Theatre

An exhibit of photographs by Bernard of Hollywood, including the gallery of local Sun Sirens, "Portraits of the week" which have been appearing in The Desert Sun, will be displayed in the lobby of The Plaza theater next week.

Besides the photographs of local girls in Bernard's distinctive style, there will also be a display of notables of the movie world and other fields who have recently posed for Bernard's cameras.

The exhibit will be at The Plaza lobby all next week.

Save Inspection Records On Tires Says Ration Chief

William A. Lippman, chairman of the Palm Springs war price and rationing board, warned Village motorists to save their tire inspection records. Because tire inspections came to an end yesterday, many motorists are of the opinion they need no longer save the inspection records.

"The tire records will be needed in renewal requests for gasoline rations or getting tire certificates for replacement," Mr. Lippman said. "Failure to present them will delay issuance of new rations until they have been presented or duplicated."

Excess Speed May Cause Gas Coupon Scarcity, Warning

According to information received by the local war price and rationing board, the OPA is backing the present drive against automobile speeders and a schedule of penalties has been recommended to motorists arrested for speeding.

Frank S. Balthis, OPA district head, said the current drive against speeders is to save rubber and gasoline as well as lives.

In all cases where autoists are convicted of speeding, citations are sent to their OPA local board, he said.

Recommended as guides for local boards, the OPA has prepared a schedule of revocation of gasoline coupon books as follows: for speeders on first convictions:

Between 35 and 40 miles per hour—10 days; between 41 and 50 miles an hour, 30 days; 51 to 60 miles, 60 days; 70 and over, 90 days. Suspensions recommended for violators with previous convictions run as high as one year for speeds in excess of 70 miles an hour.

Then there was the apartment house dweller who, despairing of getting any heat from the janitor, attached a faucet to the radiator and now at least gets ice water.

A most interesting visitor at keeps chalking up additions to the building fund against the post-war time when the community will have the books housed in a library building although the use of Town Hall is just another justification for having a community building. John O. Clark is the latest contributor, donating on behalf of himself and Mrs. Clark, five war bonds. Incidentally, congratulating the community on having such an efficient volunteer librarian as Mrs. Marie Ide.

Transfers of property continue brisk with three sales to my credit this week. The Escott family purchasing the Frank C. Russell cottage on East Grove street. The Wm. E. to the office of Dr. I. W. Lynn for treatment and later removed to Riverside.

Ayala was taken to an Indian hospital where he succumbed to his injuries Monday morning.

BOYS FOUND LATER

Two boys, who were in Ayala's car, were not at the scene of the accident when police arrived but at about 3 a. m. Sunday Dr. Lynn notified police that Reyes was at his place seeking treatment for a fractured wrist and other injuries. Through him police acquired the name of the other youth in the car, Paul Ayala, brother of the dead man. Ayala was but slightly hurt. Reyes was sent to Arlington hospital.

The new owners of Cathedral Grocery, the Potters, have leased the meat market to Mr. and Mrs. J. E. London. Mr. London is in the service and Mrs. London will operate the meat market and add a line of delicatessen goods. Both the grocery and meat market will operate throughout the summer which is fine news for all of us.

Mr. and Mrs. O. H. Cantrell with their two children were recent arrivals from Michigan and purchased through S. D. Arner, the east half of the Naley property with five rent units and a home. We are glad to welcome them to our community.

I don't think I mentioned before that a recent purchase of interest was made by Mr. and Mrs. C. S. Cobb of the duplex dwelling just east of the former Cruncheon Commercial Building now owned by Geo. Zouganiles.

Council Will Not Protest Transfer Of Amado License

City council Tuesday night heard without comment, reading of a notice from the state board of equalization that Hazel Sabatella had applied for transfer of liquor licenses from Gladys T. Murray, at Frank's cafe, on Amado road.

Mr. and Mrs. Frank Sabatella recently purchased the cafe and are now operating it.

No protest will be made by city council to the transfer.

Wacs From Village Air Base First In Pacific War Area

The arrival of the first contingent of the Women's Army Corps has arrived in the Pacific theater and is now stationed at Honolulu, Territory of Hawaii, according to an announcement made recently by Brig. Gen. Wm. Ord Ryan, commanding general of the Pacific Wing of the Air Transport Command.

The group was made up principally of AIR-WACs stationed at the 21st Ferrying Group, Ferrying Division, ATC, at the army air field here in Palm Springs, and consequently should be known to some of the Villagers. They are: Sgt. Elizabeth Lamar of Houston, Texas; S/Sgt. Mary K. Bowers of San Francisco; Sgt. Edna C. Amstutz of St. Louis, Mo.; Sgt. Bella Berese of St. Louis, Mo.; S/Sgt. Leon Adair of Dallas, Texas; S/Sgt. Mary E. Faust of Newark, N. J.; Sgt. Virginia G. Wagner of Battle Creek, Mich., and Cpl. Ruth W. Brady of Oklahoma City, Oklahoma.

Although the AIR-WACs at the Pacific base are kept busy in their new work, they have found time to discover the beauties of the islands, and all are enthusiastic about their overseas location.

The Air Transport Command is now engaged in a drive to recruit 5,000 women into the Women's Army Corps. Eligible women, for the first time in history may now secure assignment to the ATC, the world's greatest airline, and it has also been announced that the ATC is authorized to offer overseas duty to its qualified WACs.

Information on enlistment into the Air-Wac with assignment to the ATC may be obtained at any WAC recruiting office.

"Island Hopping" Termed Logical Way to Defeat Japan By Author Who Spent Some Time In Nips' Mystery Islands

Willard Price of Cathedral City, author of "Japan's Islands of Mystery," addressed Palm Springs Rotarians Wednesday at the Desert Inn at their weekly luncheon and predicted that within a year, the main islands of Japan would be under attack by U. S. bombers based on islands rested from the Nips and in two years, under attack from land-based bombers in China.

Mr. Price who spent some time in the islands which are the stepping stones to Tokyo, gave their history from the time they were given to the United States by Spain after the war of 1898, returned to Spain by a generous Uncle Sam, sold to Germany, and seized by the Japanese in World War I.

UNPLEASANT TRAVEL

He said Japan never actually barred foreigners from the islands but made it extremely difficult and unpleasant to get there and saw to it that those who saw too much, met with "unfortunate accidents" which forever closed their mouths.

The U. S. Navy has purchased several thousand copies of his book on the islands for personal use by officers and men going to that area.

He said there were 2550 of these island stepping stones and defended the island hopping attack.

DIFFICULT TASK

"If you were fighting a duel and were given the choice of weapons you would be foolish to pick your opponent's favorite weapon. We

have the initiative—or choice of weapons—and Japan's favorite weapon is her army. To attempt to defeat her on land through Burma and Cina would be an almost impossible effort. But we can reach her from the sea and through the air and an invasion of Japan is possible by this method. Her poorest soldiers are in Japan, her best in the Philippines, Burma and China.

"But by crushing the body of the Japanese spider, the tentacles will die by themselves," he said.

Dr. Henry S. Reid, president of the club presided and introduced the speaker.

Many Rotarians from far and wide were guests "making up," at the meeting.

LAST OF SEASON—Old and new officials of the Palm Springs Woman's Club get together in the final meeting of the season Monday at the clubhouse. (Chet Summers Photo.)

Palm Springs Woman's Club Closes Highly Successful Year With Seating of New Officers, Interesting Program

BY MARTHA FORWARD

With election and installation of officers for the next year completed, the Palm Springs Woman's Club closed the year's work on Monday afternoon and the time, formerly devoted to vacations, begins.

However, with the increasing need for war service, and the serious business of voting requiring deliberate consideration, it is doubtful if many of the club's members will plan regular vacations this summer.

The newly installed officers are Mrs. William A. Lippman, president, Mrs. Armand Turronet, vice-president, Mrs. John Sprague, recording secretary, Mrs. Harry S. Harlow, corresponding secretary, Mrs. Guy Pinney, treasurer, Mrs. Donald Lockett, parliamentarian, Mrs. H. Bedford-Jones, membership chairman, Mrs. John F. Forward, press correspondent, Mrs. Raymond Cree, year book, Mrs. Harrison Leussler, house chairman, Mrs. Harold J. Hicks, Welfare and Friendly Aid Association chairman, Miss Teresa M. Fields, program chairman, Mrs. William B. Malouf, flowers, Mrs. Thomas Holland, tea chairman and Mrs. Merrill Crockett, chairman of hospitality.

SEASON AT END

Mrs. William A. Lippman, president, as a final gesture, thanking those who had served with her during the year, dismissed programs and club work until fall.

She then introduced Mrs. A. B. Jones, wife of Col. A. B. Jones, officer in charge at Torney General Hospital, who graciously extended an invitation to members of the Palm Springs Woman's Club to tea on Wednesday afternoon, April 26, from 3 to 5 o'clock, in the Coral Room at the hospital.

Mrs. Catherine Clifton wittily introduced the speaker of the afternoon, Mrs. Marjorie Miller, world traveler, lecturer and radio commentator, who spoke factually and authentically of the part Australia is taking in this gigantic global war, because of her years of residence there and the information she receives continuously throughout the year from the Australian government and from friends and relatives there.

INTERESTING TALK

Mrs. Miller's descriptions were erudite and witty as, complemented with interesting pictures, she told of the native aborigines of Australia, whose origin is conjectured of the Maoris of New Zealand—Tasmania, the Island State, Jewel of the Commonwealth of Australia—the Solomons, with her Port Moresby, Buna, and Gona—New Britain and of the coral reefs of Guadalcanal—a graphic portrayal of the conflict in the "Land Down Under," with intimate glimpses of our American soldiers being entertained in simple, friendly Australian homes and prying into novel and interesting sights and places.

Her vivid pictures of animal, bird, flower and plant life revealed the beauties of Australia's natural environment. We saw the wattle tree (acacia), physio-folios,

Miss Valante Is Bride of U. S. Navy Man In Village

Miss Mildred Valante, only daughter of Mr. and Mrs. Joseph Valante of Los Angeles, became the bride of James Herbert Dungen, U.S.N.R., son of Mr. and Mrs. James Dungen of Berkeley, in a double ring ceremony Wednesday evening at the Community church with Dr. J. R. Macartney officiating.

The bride's parents are well known for their work in USO circles and are prominent socially in Los Angeles. The bridegroom's father is a retired sea captain of the maritime service and also was formerly captain of private yachts, among them W. J. Palmer's and Vincent Astor's.

Mr. Dungen, prior to his enlistment, was prominent in musical circles in the Bay area. He has recently returned from the south Pacific where he was engaged in patrol and anti-submarine duties.

Following the ceremony the bridal party gathered in the banquet room at the Desert Inn, relatives and close friends of the couple constituting the guests.

Mrs. Valante, mother of the bride, has been a winter resident of Palm Springs, guest of Mrs. Freda Miller at the Monte Vista apartments for the past 12 years.

Mrs. Ona Brown Hostess At Party

Mrs. Ona Brown was hostess at a delightful cocktail and buffet supper party this week for her house guest, Mrs. Vivian Mann of San Francisco.

Twenty-five guests enjoyed Mrs. Brown's hospitality and greeted the Bay City visitor.

pink laurel and cambia—the lyrebird with its gorgeous plumage, Australia's national bird, the emu, the monotrematous duck-bill—the echidna and the cunning, cuddly koala bear.

CAUSE OF FEAR

"The encroachment of the Japanese upon the Australian Commonwealth has always been, and is, a genuine cause for fear in 'White Australia,' and they are deeply indebted to the United States for their Lend-Lease program in, and of, which Australia is sharing tremendously by rationing and the producing of uniforms, blankets and food for the two armies," said Mrs. Miller. General Douglas MacArthur is held in high esteem by the Australians who have unlimited confidence in his tactical ability as head of the forces in the Pacific theater of war. In the words of General MacArthur, commenting on the bravery of those who have given their lives that we may live in a future world where peace reigns on the land and on the water, binding together all nations—"They died unquestioning, uncomplaining, but with a prayer on their lips that we should carry on to Victory."

In tempo with the mild, spring afternoon, tea was served at fresco in the patio. From the table, centered with branches of purple lilac and yellow rambler roses, Mrs. Frank Martineau and Mrs. Thomas M. Holland served iced tea in tall glasses, bedight with sprigs of mint, and thin wafers. Mrs. Marvin Sale, Mrs. Roy Colegate, Mrs. Frank Cutler, Mrs. J. Darsie Lloyd and Miss Teresa Fields assisted in serving. Mrs. Francis F. Crocker, Mrs. Cecil Isenagie and Mrs. J. Grant Fry were hostesses receiving.

Miss Croft Bride of Lt. Marsh At Community Church

Dixie Noraine Croft, daughter of Mr. and Mrs. John C. Croft of 429 South Belardo road, last night at 7 o'clock, became the bride of Lt. Richard M. Marsh of the U. S. army air force at a ceremony performed at the Community church with Dr. J. R. Macartney officiating.

The bride was attended by her sister, Kathryn Croft, while S/Sgt. Richard Murphy served as best man. Miss Croft was given in marriage by her father.

The new Mrs. Marsh was a student at U.C.L.A. and is well known in the Village. Lt. Marsh is the son of Mr. and Mrs. Pliny W. Marsh of Detroit, Mich., and is a graduate of the University of Michigan.

An informal reception for members of the family and friends followed the ceremony, following which the newlyweds departed for Washington where they will make their home.

Ice Follies Stars Come to Village For Thawing Out

People are coming to Palm Springs later this season and staying longer—and that is why Mrs. Ruth Hardy of the Ingleside Inn, this week said she had decided to keep that popular, yet exclusive, hostelry open until June 1, this year.

Among the recent guests who arrived were Mr. and Mrs. Walter H. Hadlich, Mr. and Mrs. George L. Shipstead and Mrs. Helen Brock, owners and professional in the Ice Follies who came to the desert to thaw out between engagements. They open in San Francisco in June.

Mr. and Mrs. C. Grant, he's the Chilean consul in San Diego, are among the notables at the Inn as is K. C. Hogate, president of the Wall Street Journal, who with Mrs. Hogate are taking a rest in the Village.

Farewells were said to Mr. and Mrs. N. Davidson of Flint, Mich., who made a real stay in Palm Springs, coming here on November 1 last year and who left this week for their midwest home.

Dr. and Mrs. V. Dillon of San Francisco are here for several week's stay. Another San Francisco couple at the Ingleside Inn are Mr. and Mrs. Lee Shirar. Other prominent visitors at the Inn are Mr. and Mrs. Horace F. Pierce of Santa Barbara, here for a month, and Mr. and Mrs. F. T. Browning.

Mrs. Brott Greets Sister She Hadn't Seen For 17 Years

Two sisters who had not seen each other in 17 years held a reunion in Palm Springs last week when Mrs. Elmore W. Sheffield was a guest of Mrs. Harry Brott, well known Village woman. Mrs. Sheffield and Mrs. Brott are sisters and last week's meeting was the first since 1927.

Mrs. Sheffield was in Palm Springs on the last lap of her winter rest before returning to Yverdon, New Hampshire, where she and Mr. Sheffield own and operate an exclusive hotel on Lake Sunapee. The season opens there on May 1.

San Franciscans Are Honored At Affair

Mrs. Frank Davies was hostess at a charming party at her home on Tamarisk road Wednesday night for three San Francisco visitors. Many friends were in to enjoy the buffet dinner and greet the San Francisco visitors who were Mrs. Lucille White, Carlotta Hall and Edna White.

Torney Officers' Wives to Entertain

Officers' Wives of Torney General hospital will be hostesses at a tea April 26 for members of the Palm Springs Woman's Club, it was revealed this week.

The reception will be in the Coral room at the hospital, from 3 to 5 p. m. next Wednesday.

Mrs. Bellyea Hostess During Easter Week

Mrs. T. M. C. Bellyea opened her home at 196 Morongo road for Easter week and had as her guest, Mrs. Vincent C. Dodds and son, George of Beverly Hills, Mrs. Viola Wilson and son Barton of Westwood, and her son Bob Bellyea.

Bob Bellyea was in the Village on a 36-hour leave from his navy classes at Caltech.

Army And Navy Well Represented At Palm Springs

The army and navy were well represented at the Palm Springs hotel this week as vacationers continued to throng the popular hostelry.

Lt. J. G. Obringer and Mrs. Obringer, recently married and on their honeymoon, were among the guests. They are from Glendale and Lt. Obringer, U.S.N., was here for a rest after duty overseas. He is the son of Producer Jack Obringer. Also here on their honeymoon were Pvt. and Mrs. John Soovanjian of Long Beach.

Mr. and Mrs. A. B. McCloskey, Mr. and Mrs. C. T. Lynch of Beverly Hills and Mr. and Mrs. Cullen Espy of Los Angeles, were in another party registered at the hotel.

Stopping over in the desert for a brief rest, enroute from Klamath Falls, Oregon, to Corpus Christi, Texas, were U.S.N. Commander and Mrs. L. H. McPherson. They were here for two days. Captain and Mrs. John Anderson were also guests at the hotel. The captain is connected with the army medical corps.

Among other guests were Mrs. Harold Barr of Huntington Park, here for an extended stay, Mr. and Mrs. Anton Steppan of Piedmont where Mr. Steppan is a prominent furrier, Mrs. E. Kellogg and Mrs. Hillis Peterson of Beverly Hills who came to the Village to visit with Mrs. William Kirk, who has been spending some time here. San Francisco is represented by Miss Marjorie Schuler, Miss Hollis Dathelian and Miss Lurline Neglay and her small nephew.

Del Crane Invades Enemy Terrain to Address Lions Here

A few weeks ago Delbert Crane, of Elsinore, a candidate on the republican and democratic tickets for member of the state assembly and an opponent, therefore, of Philip L. Boyd of Palm Springs, invited the Villager to Elsinore to address the Lions club of that city of which Mr. Crane is a prominent member.

This week, Mr. Boyd returned the compliment and Mr. Crane invaded his opponent's home town to address the Palm Springs Lions club of which Mr. Boyd is a prominent member.

Mr. Crane dwelt on the many problems of the district and its needs, citing farming, water, taxation, postwar planning among other important items.

He was introduced by Raymond Cree, head of the volunteer committee which is working for Mr. Boyd in the Village.

President Culver Nichols presided.

Clarence Hyde, head of the nomination committee, reported that his committee had recommended the election of George B. Davis as treasurer of the club. Other nominations were made last week and the election will be held next Thursday.

Must Not Neglect Problems of Peace In Midst of War

Philip L. Boyd, candidate for Assemblyman for the 76th Assembly District, addressed contractors and real estate men at a meeting of the Riverside Chapter of Building Contractors Association of this week at Mapes Cafeteria in Riverside.

Boyd emphasized that in spite of constant and vigorous effort to win the war, plans must be made now for the peace.

Said he, "While we must not let up for a minute with our maximum effort to win the war for which we were not prepared there is no excuse for not preparing for our peace time problems now. Contractors are facing a great opportunity to absorb the Postwar labor surplus. The coming great projects of construction of new roads, bridges, schools and housing should be undertaken under conditions of free enterprise for the sake of economy and efficiency. The contractors should obtain a fair profit, the laborer an adequate wage for a good days work and the tax payer the maximum value for his dollar."

Boyd has a successful administrative record as Mayor of Palm Springs and is closely familiar with the problems of Riverside County, having been a resident of the County for more than 20 years.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By Pfc. Robert D. Price

WACS COME TO TORNEY TO COMPLETE PHYSICAL THERAPY TRAINING COURSE

On Friday, October 1, 1943, the vanguard of the WAC detachment, to become a part of the Torney General Hospital organization, reported for duty at this hospital. Two officers reported at that time and have since become an integral part of the Torney personnel. Lts. Lydia J. Bigler, of the dietetics department, and Helen C. Bowen, of the civilian personnel office, are the officers that arrived on the date mentioned above.

Six months and eight days later, April 9th, five enlisted members of the WAC arrived at Torney and are assigned to the Physical Therapy department. On Monday, April 10, the first WAC detachment of Torney was activated with Lt. Helen C. Bowen as commanding officer.

Members of the enlisted personnel of the WAC now stationed here include: Cpls. Frances E. Cray, Jean H. Forrest, Edna H. Livaudais, Katherine R. Coyner, and T/5 Edith L. Salyer. The above are all college graduates and have, during the past six months, completed the course of study at Stanford University in "Apprentice Training" in the Physical Therapy school.

The five WACs are slated to remain here at Torney for a three-month period, during which they will undergo further training in Physical Therapy. At the completion of this period it is anticipated that the five will be commissioned as Physical Therapy aids with the rank of 2nd Lt.

All five members of the Corps are quite enthusiastic about their work and appreciative of their reception here at Torney. The WAC training program in Physical Therapy will be under the supervision of Lt. Eleanor Dennison, PTA.

EDUCATIONAL PROGRAM

The past week has seen the establishment of two new classes as part of the education phase of the Reconditioning Program, Elementary French, and Elementary Morse Code. Each class can accommodate approximately 10 more patients and those inter-

ested are asked to call 129.

Many patients are anxious to find some means of keeping their minds occupied while convalescing. The physical and educational activities of the Reconditioning program offer that opportunity.

The Army Reconditioning Program is extremely valuable to the individual participating, but research indicates that, to the all-out war effort, the program is indispensable. Of the 45,545 wounded among Army battle casualties reported February 7, 1944, more than half, or 24,289 have returned to duty.

Hospitals that have carried out extensive Reconditioning have found that the period of convalescence has been shortened in certain cases of acute infectious and contagious diseases. Readmissions to hospitals have been reduced. The necessity for sick leave has been largely eliminated. Morale and fighting spirit has been improved. An important phase of the Reconditioning Program is that of putting the wounded soldier in the proper frame of mind to return to action, if his disabilities permit, or at least to remain in the service.

FAMILY CONNECTIONS

The Marlowes believe in keeping it all in the family.

Pvt. Anthony G. Marlow, now a patient of Torney General Hospital, was inducted into the army by his father, H. F. Marlow, of the El Segundo, California Selective Service board. The senior Marlow is an employee of the Douglas Aircraft Company and a brother, Sgt. R. A. Marlow, is in the Air Corps stationed at Yuma, Arizona.

Pvt. Marlow was shipped, with his outfit, across the Atlantic to participate in the attack on the Cassino front. Wandering around the transport Marlow was astonished to find his cousin, Lt. Evelyn Oldag (ANC) on the same boat.

Taking part in the engagement at San Pietro, eight miles from Cassino, Marlow received a fractured leg from a blow from a shell fragment. He was sent to the rear and arrived at a hospital in Naples to find that his cousin was serving with another hospital unit in the same city one block from our hero.

Pvt. Marlow is now back in the United States, convalescing here at Torney, but he is still in the middle of the family. Marlow senior is still at El Segundo. The Sergeant brother is still at Yuma air field, and Pvt. Anthony is still in the middle—half way between his relatives—at Palm Springs. Some folks, these Marlowes.

Two events have taken place

Screen And Radio Star, Connie Haines, Sings In Village

Connie Haines, singing star on the Abbott-Costello show and who has been doing picture work for Universal, was in Palm Springs last week-end, leaving Wednesday for Hollywood.

She sang Saturday night at the Officers' Club dance at the army air base and later at the Non-Com's club. Sunday morning she sang at the post chapel at the air base and that night at the Community church.

LONG ON RADIO

She was accompanied here by Margaret Hershman of Los Angeles.

Miss Haines' home town is Savannah, Ga. She started singing on the radio when 7 years of age and later won a contest on the Fred Allen show. At 14 she started singing in night clubs at Miami and later went to New York where she sang with Harry James' band and then with Tommy Dorsey's.

GUESTS OF VILLAGERS

Miss Haines is one of the soloists at the Hollywood Presbyterian church and for a time was engaged in USO work which she found too strenuous in connection with her radio and movie work. But she still does a lot of traveling to army camps with the minister and other leaders of her Hollywood church and sings to the army boys at their church services.

Miss Haines and Miss Hershman stayed Saturday night with Mrs. Grover H. Poos and later were guests of Mr. and Mrs. Marvin Ostrander.

Amendment to Zone Ordinance Adopted

One of the final items of business by the retiring city council Wednesday night was the adoption of amendments to ordinance No. 75, the zoning law, bringing all lands in the vicinity of North Palm Canyon drive and Stevens road into zoning conformity.

Council recently granted Mrs. Gertrude Knowles a zoning variance in that district and this week's action was to bring adjacent lands into similar categories.

during the past two weeks that are of particular interest to personnel of this post. Two more proud parents are passing out the traditional cigars.

Born to Lt. and Mrs. Slater M. Dozier, Ward Officer, Surgical Service, an eight-pound baby girl, on March 21.

Born to Sgt. and Mrs. Robert A. Paschke, Post Signal Office, on April 11, a six-pound infant son. Both fathers are doing well.

ELKS GIVE SHOW

A gala entertainment treat, which included a fine band, an outstanding glee club, and sure-fire acts of vaudeville, played at Torney last Sunday.

The show was presented in the Recreation Hall under the auspices of the Special Service Department.

Lodge No. 906, B.P.O. Elks of Santa Monica was responsible for this entertainment extravaganza which has played service camps in the vicinity of Santa Monica to the acclaim of all who have witnessed it.

There was one and a half hours of solid entertainment for all who attended.

"OVER THE TOP"

Civilian employees of Torney General Hospital more than went "over the top" during their recent Red Cross fund raising drive.

Under the direction of Mrs. Hazel Henderson, 100 percent participation on the part of the Torney departments brought the total amount to \$365.80. Led in total contribution by the Post Engineers, each department of Torney contributed and thus boosted the total donation to unexpected heights.

Mrs. Henderson was ably assisted in the drive by the following representatives: Grace Morrison, Quartermaster, Ruby Harris and Lettie Nichols, Dietetics; Maxine Reeder, Laboratory; Katherine Golden, Laundry; Bernice Divine, Provost Marshal; Mary Reseter, Military Personnel; Meta Alton, Headquarters; Jean Bybee, Dental Clinic; Evelyn Onken, Registrar; Georgine Preble, Special Service; Phyllis Kehlet, Secretary of Boards; Betty Gilkeson and Mr. Adams, Post Engineers.

AMERICAN LEGION DUGOUT

By the Legion Observer

Mrs. Mabel Shuttleworth reported that the following named ladies served as hostesses at the Dugout during the month of March:

Myrtle Gallehur, Bess Linn, Marie Holland, Dorothy Pierce, Mabel Harmon, Margaret Taylor, Florence Bowman, Agnes Reeves, Mary Gaines, Bess Turner, Bernice Stepp, Effie Kalsiem, Addie Gerard, Flo Guthrie, Edith Kereley, Mrs. Harrison Leussler, Hazel Hanson, Myrtle Mims, Clema Granger, Norma Lunning, Hazel Meadows, Edna O'Reilly, Sue Schumacker, Bunny Cuneo, Sue Barde, Dorothy Benson, Hazel Jones, Lilly Tripp, Rose Charnas, Albertina Bell, Ruth Cadenback, Marjorie Schanderl, Ida Wood, Betty Beede, Mrs. Marvin Ostrander, Kay Cadwallader, Harriet Needham, Martha Reed, Eva Knox, Lucia Nason, Mrs. Willis Palliser, Estelle Hickey, Merle Bernhardt and Mrs. Frances Bauer.

Many have served throughout the winter without missing a hitch.

PLEASURE TO SAY IT

The many kind friends of the Dugout who so generously donate various items throughout the season, do so without any thought of receiving credit. It is therefore a pleasure, in behalf of the Dugout Committee to say "Thanks."

The cloud of smoke emanating from the Dugout the past few days was not the biscuits burning, but from the smokers trying to make a dent in the many cartons of cigarettes that have been brought in by the following kind-hearted folk. Charles Morrison was high man with no less than sixty cartons of a popular brand.

Mayor Frank Shannon, regular like a clock, came in with several cartons, saying, "Some of these are from Gibbs Drug store but I don't know who is responsible for the rest." After giving the matter careful consideration and thought for about two seconds, we concluded that Mister Mayor was the instigator. During the past months, the team of Shannon and Gibbs has been responsible for many a generous gift to the Dugout. Mrs. Florence Bowman, who has been a big help at the Dugout, has left for her home in Ross, Calif. Just before leaving she came in with her arms full of cartons of cigarettes. Mr. McAtte of Tiara Tahiti also added to the total with a generous donation. Mrs. Marie Trott and Mrs. Burt Turner were two more that gave. All in all it has been a big week for weed.

FINE SCRAP BOOK

A fine scrap book was compiled and donated to the Dugout by Mrs. G. Kriner Brown of Los Angeles. It represents a great deal of work, and is going to be very popular. Mrs. Florence Robinson, than whom there is no better maker of home-made candies, brought in some of the same, but good. Mrs. Marvin Ostrander never shows up for her hitch without something to tickle the palpalting palates. A fine pan of home-made ginger bread made its appearance on her last visit. Must get that recipe. Mr. Henry Wick generously donated several sacks of oranges and grapefruit which was reduced to juice in short order and speedily disposed of. Mrs. Harry Klonick brought in some more cookies to keep her record up to date. Mrs. Bessie Goldberg took care of the date situation as well as giving some cookies. Mrs. Bill Hay followed suit with more cookies. The Palm Springs Woman's Club came back strong, after their previous gift, with the donation of more of the well known cookie. The Peter Pan bakery, which has given good things to eat on several occasions, kept up the good work with some super cookies. Mrs. Bunny Cuneo brought in some guess what, also, to make it a big week for the cookie pushers. Marjorie Shanderl kept up the good work with Hershey bars, gum and home-made stuff. Mrs. Fleeta Wroughton hit the spot with nuts. Dr. Justin McCarthy of the Desert Inn (adv.) brought in a fine box of chocolates. Several quarts of orange juice found their way to the Dugout through the courtesy of the Candy Kettle. Mrs. Tom Holland repeated with more of those delicious tangerines. Mrs. Hazel Jones treated the customers to some of her daughter's wedding cake. A real treat. Mrs. Rose Charnas helped the

cause along with some more of her fine sandwich spread, that makes bread taste like cake, so we are told.

BRINGS IN EASTER EGGS

A real generous, Easter-minded gentleman brought in four dozen beautifully colored Easter eggs. A swell job of exterior decorating from all reports. In addition to this nice gesture, our friend who prefers to be nameless, has made many donations during the past months. One of our most consistent backers. Mrs. Frank Drans dropped by with an arm full of cakes, one day last week. There is always a place for cakes when and if they are brought in. To the donor of the beautiful bouquet of lupin and California poppies, we say, "Thank you." Mrs. Cora Tibbesart, who has just recently moved in from Redlands, helped make things cheerful with the gift of some snap dragons and roses. Flowers are always welcome at the Dugout.

Our thanks to Dr. L. D. Shurtliff, who so kindly installed the cooler, as well as overhauling it. The warm days were becoming quite a problem until the cooler was installed.

Mrs. E. M. Juda who has been such a faithful friend during the past months, sent twelve decks of playing cards from her home in Oakland. That takes care of the card situation. Major Moran presented the Dugout with several interesting books, as did Mrs. Harriett Needham.

Mrs. James Parker comes to the Dugout nearly every day and sketches the boys and then sees that they are sent to the home folk. It is a very nice thing to do we think.

Rookie, movie star Donald O'Connor dropped in at the Dugout last week, having heard that it was a pretty good place to cool off and get a lift from a cool glass of juice, so he said. Before he left he promised to come back later and put on a show.

Even the darkest skies look brighter when we've washed our windows.

Mrs. Shultz Wins Torney Award For Betterment Ideas

Civilian workers at Torney General Hospital are always on the alert for better ways to perform specific jobs or improve administrative policies in line with the "Ideas for Victory" program sponsored by the War Department. Third Palm Springs resident to receive a cash award for an idea submitted is Mrs. Esther Shultz of 962 North Palm Canyon drive who won recognition from the Ninth Service Command last week. Ralph A. Nesmith and Milbert Cameron received previous awards.

Because many hospital employees are new residents who do not maintain accounts in the local bank, and because the half hour lunch period does not permit a trip to the Village for the purpose of cashing checks, employees have experienced considerable inconvenience.

CASH FOR WORKERS

To relieve this situation Mrs. Shultz suggested that at the end of each pay day, an armored banking car could be stationed at the most generally used gate to cash checks for anyone who so desired.

The idea was submitted by the Civilian Personnel Branch of the hospital to the War Department Suggestion and Awards Committee, and last week Mrs. Shultz received her cash award. As yet the plan has not been put into effect at the hospital, but tentative arrangements which will enable employees to cash their checks, are now underway.

LONG AT HOSPITAL

Mrs. Shultz has Civil Service seniority at the hospital, having begun her term of employment there April 29, 1942, two days after the arrival of Col. A. B. Jones, commanding officer. She is now secretary to the chief of Military Personnel. In 1939 Mrs. Shultz

Capt. Nau Returns to Army Air Base

Capt. Harry F. Nau, of Greensboro, N. C., has returned to his post at the 21st Ferrying Group headquarters here, after having graduated from the Fairchild Camera and Instrument Corporation's serial sextant school in New York City.

Repair and maintenance of the Fairchild sextant is taught in the school which is conducted for carefully picked army navigation officers and technicians.

Capt. Nau is well known in the Village.

became a permanent resident of the Village and until 1943 operated a linen shop here. She is the wife of George Shultz who spent a year in the Pacific theater prior to his discharge from the army for physical disability.

Stockholders
pay DOUBLE
TAXATION

In 1944 this Company will pay a million dollars in total taxes.

It has several thousand stockholders, a large percentage of whom are people of moderate means. They are a part of the great group of so-called common people, who bear so heavy a part of the burdens of government.

As stockholders of a corporation they will contribute their portion of this million dollars in taxes.

In addition they are taxed on any profits they may receive from the Company, because it is a corporation. This is double taxation and is particularly unfair to the small stockholder with low income because he suffers the high corporate tax rates on the same basis as the wealthy stockholder.

Every American citizen should be interested in the cost of government.

Senior Women's Officer In Coast Guard, Guest Here

Notable guest at Hotel, the Oasis, this week is Mrs. Kaj Theill of San Francisco, senior woman's officer of the San Francisco regiment of the United States Coast Guard, temporary reserve. Mrs. Theill is in the Village to rest in the quiet atmosphere of The Oasis following a tour of other regiments of the Reserve on the coast.

GUEST IN LONG BEACH

Just before coming to the Village she visited the Los Angeles-Long Beach regiment of the reserve where she was entertained by Lieutenant (j. g.) Helen L. Jones, senior woman's officer of that regiment.

The Coast Guard, Temporary Reserve, enrolls men and women nonpaid volunteers who serve for the duration of the war. Men act as guards of wharves, ships and supplies in San Francisco, and other important United States Ports where Regiments have been organized. Women are enrolled to serve in the motor corps, mess-hall and headquarters, where they handle the paper work necessary to the efficient functioning of the Regiments.

AIDE TO COMMANDER

Mrs. Theill requested a military leave of absence from her civilian position as vice principal and dean of girls at San Francisco's Everett High School, in order to undertake this important war work. She was commissioned a Lieutenant, junior grade, July 22, last year.

In addition to her duties as senior woman's officer of the San Francisco Regiment, she is Aide to the Regimental Commander, Roy C. Ward, prominent San Francisco insurance man.

Season Lingers On And So Do Winter Vacationers; Coast Sends Many Here to Enjoy Vacation In Desert Sunshine

Although the calendar indicates the Palm Springs season may be nearing its close, the thermometer is staying low for the desert at this time of year and numerous guests are prolonging their visits to enjoy the balmy spring days and evenings.

With the many eastern guests who have been here most of the current season leaving for their homes, an influx of Los Angeles and San Francisco residents are checking in at Desert Inn for visits extending until mid-May when the Inn is to close.

MANY FROM COAST

Among those to arrive this week are Mr. and Mrs. M. L. Nathan and Donald, San Marino, who will stay through the month; Dr. Leon G. Wolfe, Beverly Hills, is to be here until April 27; Mr. and Mrs. F. C. Quimby, Beverly Hills, will visit here until late this month, as will Mrs. John Baxter and Miss Catherine Simmons, of the Green hotel, Pasadena.

Birthday candles glowed in De Anza room of Desert Inn on Friday evening to celebrate the birthday of Col. M. A. Selinger, medical officer at Torney Hospital. Mrs. Selinger arranged the informal party to compliment her husband. Col. A. B. Jones, commanding officer at the hospital, and Mrs. Jones completed the dinner foursome.

SAN FRANCISCANS DINE

A party from San Francisco occupied a table Saturday evening for the weekly dinner dance held at Desert Inn. Mr. and Mrs. G. R. Keast, of the Bay City, were hosts. Their guests included Mr. and Mrs. Edward H. Maggard, San Francisco, who have had a house in Palm Springs for the winter months; Miss Jane Maggard, society editor of the San Francisco Chronicle, who has been vacationing here for the past two weeks; Mrs. Edward R. Bacon and her house guest, both of the northern city, and Miss Mary Keast.

The Keasts and Miss Maggard motored north to their homes on Sunday.

CHICAGOANS UNITE

A mid-day luncheon was given Sunday in the main dining room of Desert Inn when Mr. and Mrs. Van V. Lain of Chicago, assembled a group of friends from their city and other eastern cities. Seated with the hosts were County Commissioner of Chicago Dan Ryan, and Mrs. Ryan, who traveled west with the Lains and also are stopping at Desert Inn for an extended visit. Others in the party were Mr. and Mrs. John S. Jenkins of New York City, who have a home in Palm Springs; their daughter, Mrs. Whitney of Washington, D. C., who is visiting here until May; Mrs. Zangerle and her house guest, Miss Marcy Puster, both of Chicago.

Mr. and Mrs. Lain, who have been at the Inn for more than a month, left yesterday for a short stay in Los Angeles. They plan to return to their home in Chicago shortly after May.

HONEYMOON HERE

Capt. and Mrs. Donald Carlson, who recently were wed in Los Angeles, spent the first part of their honeymoon at Desert Inn last week. Capt. Carlson, U. S. A., is stationed at Camp Haan, Riverside.

A number of Chicago visitors are here at this time enjoying southern California weather and are making Desert Inn their headquarters. Mr. and Mrs. Preston A. Higgins, Mrs. Anna Watry and Mrs. Emalie Dieden, who reside just outside Chicago in Evanston, Ill., arrived this week for their annual visit. Each season they come late and remain until the Inn closes on May 15.

This party joined other mem-

Plans For 4-Day Trek Discussed By Los Compadres

Members of Los Compadres club met last night at the Fiesta Room of the Desert Inn to complete final plans for the four-day pack trip scheduled to start April 30. Cost of the trek and the number of ration points needed for the meals were fixed.

Plans for the trip were to have been made last Sunday on a breakfast ride but the ride was postponed until this coming Sunday because of the power of the breezes which swept the desert area where the riders had planned to go.

The club will ride out to a spot beyond Araby point next Sunday morning where breakfast will be served at 8:30 o'clock. Jimmy Cooper, secretary of the club, urged all members to get going at 7 a. m.

Members of their family, Mr. and Mrs. Harold Frisch, also of Evanston, who arrived several weeks ago and also will remain until May 15.

FROM THE SOUTHLAND

Another couple from the Windy City, who plan to stay through May 15 are Mr. and Mrs. H. G. Kemper, of Chicago.

Those from the southland stopping at Desert Inn for short visits are: Mrs. Katherine Hurrell, Hollywood; Mrs. Theo. J. Van De Kamp, Walter D. Van De Kamp, Los Angeles; Mr. and Mrs. W. H. Kunz, Tuluca Estates, North Hollywood; Mr. and Mrs. Robert P. Etienne, San Mateo; Mr. and Mrs. Andrew Dosset, Beverly Hills; Mrs. Hubert W. Anderson and Mrs. Whitlock, Glendale; Mr. and Mrs. C. W. Dayhoff, Los Angeles.

Those down from northern California way include: Mr. and Mrs. Robert Etienne, San Mateo; Mr. and Mrs. Ansel W. Robinson, San Francisco; Mr. and Mrs. Harold McKinnon, San Francisco; Mrs. J. Hickingbotham, Jr., with her son are down from Walnut Creek for a stay of two weeks; Mrs. Clyde G. Welden, Alameda, will be here through April 25; The Richard Allens are here from San Francisco for two weeks.

A stay of indefinite length is the program for Mr. and Mrs. L. M. Giannini and their daughter, Virginia, who arrived last week at Desert Inn from their home in Atherton, Calif. From the same city comes Miss Anne Giannini and her friend, Miss Agnes Ebeling, of San Francisco. They too will be at Desert Inn most of this month and part of next.

Fifth War Loan to Be Sold In June

Preliminary plans for the Fifth War Loan drive will be mapped at a meeting to be held in Los Angeles next Wednesday and Thursday at which county and city war bond campaign leaders will meet to discuss the Retailer's part in the drive.

The Fifth War Loan drive will be staged in June. J. M. Johnson, county war bond chairman, will attend the Los Angeles meeting.

San Francisco has been the largest banking center west of Chicago since the gold rush days of 1849.

Village Masonic Club to Rally At Luncheon Tuesday

Palm Springs Masonic Club will meet next Tuesday at noon at the Desert Inn in what will probably be the last scheduled meeting of the current season.

Principal business will be the installation of new officers elected at the March meeting. Frank V. Shannon will be installed as president, succeeding Lloyd Simon under whose able leadership the club accomplished much this season. Arthur E. Bailey is the new vice-president, W. R. Hillery, secretary and treasurer, and John Munholland, Francis F. Crocker, M. Van Cleef, Mr. Simon, Bill Leoncio, Judge Guy Pinney and Clarence Wolfe, directors.

An excellent program is being arranged.

State Income Tax Chief Thanks City

City council received thanks Tuesday night in a communication from F. R. McReynolds, area supervisor for the state franchise commission, for the courtesies extended deputies who were here to aid Villagers with their state income tax forms and returns.

Pay your telephone bill before the 30th and receive a discount.

Charrel to Appear As Soloist With Ford Symphony

Charrel de Thomee, whose piano playing has delighted hundreds at the Chi Chi during the past season will leave the Village May 2 for Los Angeles and will go from there on May 6 to join the Ford Symphony as soloist. He has signed with them for the summer concert tour of three to four open air concerts during the week and the regular Sunday nation-wide broadcasts.

He expects to return to Palm Springs about the middle of next October.

Endorse Measure For State Taxation On Federal Lands

Directors of the Palm Springs Chamber of Commerce voted endorsement of the proposed state constitutional amendment to permit taxation by the state of federally-owned land when they met last Friday, Walter Kofeldt, executive secretary, said this week.

The tremendous annual tax loss to the county now because this land is not taxed was pointed out at the meeting. The federal government owns 2,083,412 acres of county land, representing 45.35 per cent of all lands in the county. This land represents an assessed valuation of \$4,443,000, it was pointed out and no taxes are collected from it.

Netters Defeated By Redlands But Not Discouraged

P. S. H. S. Tennis Team came home beaten, but not discouraged Saturday afternoon after a hard day of tennis at Redlands high school.

Mr. Max Vaucher, tennis coach, and the six members of the team: Bob Hoover, Don McLearn, John Outcault, Joe Sandeffer, Maurice Smith and John Ward, left for Redlands at 7:30 a. m. Saturday. The matches started at 9:00. The scores for the single matches were:

- 1st, Hyme and Outcault, 3-6, 6-2, 6-3, (Redlands).
- 2nd, Whaley and Sandeffer, 6-2, 6-1 (Redlands).
- 3rd, Peters and McLearn, 6-1, 6-0, (Redlands).
- 4th, Vandergoot and Ward, 6-3, 6-8, 8-6 (Redlands).
- 5th, Jones and Hoover, 6-0, 6-2, (Redlands).
- 6th, Vacinto and Smith, 6-4, 6-1, (Redlands).

DOUBLE MATCHES

Hyme and Jones, Outcault and Sandeffer, 6-3, 4-6, 6-0, (Redlands).

Whaley and Vandergoot, McLearn and Ward, 6-4, 6-3 (Redlands).

Curtis and Hooper, Hoover and Smith, 6-1, 12-10 (Redlands).

One more practice match will be played this weekend at Palm Springs. If the Redlands team can not come down to Palm Springs the high school will have a tournament among themselves on the school courts. Mr. Vaucher said today, "I hope the boys will fight hard and win more games than last week." The tennis team will play their league matches Saturday, April 29, against Banning, Beaumont and Coachella at Palm Springs.

One commentator is positive shorter shirt tails will have no influence on laundry prices.

GAZZOIT

(By "CECIL")

After a week's vacation, this is your ole Gazzozit reporter, all rested up, back to give you the latest dirt about the maroon and white.

The carnival given Friday night by the G. A. A. and Girls' League was one of the most successful school parties of the year. Everyone reported a super time.

With Babs as Queen of the Carnival, how could it have been otherwise? Congratulations Babs. It just goes to show you that the Juniors are never wrong.

Did you know that Sally Robinson and Chic went steady for approximately one whole day? Well, they did! There was only one catch to the whole thing. They never have been out together. What will they think of next?

Bob Morrison's party Saturday night was out of this world, and so was nearly everyone there.

Barbara and Wendell danced the light fantastic in the living room, and the floor sure shows it now—Doris had an especially good time, and she can tell you all about it, too.

Some people around school think that Dart should be a little more careful who he beats on, and who can blame them? If you have any doubts in your mind consult Margie; she can give you full particulars on the subject.

Coachella was represented nicely at the carnival, when Helen Louise walked in with Johnny Alvis (most of you remember Johnny), and Jeanne Martineau came with Rouri O'Rourke, the student body president of C. V. H. S.

Geri Boyer apparently has forgotten a certain boy in khaki, or at least so it seems. She is reported to be turning "that way" about Warner. Well, more power to you.

James Partrich, well known member of the student body, has joined the Navy and is stationed in San Diego for boot camp.

Old married couples at the carnival included: Mr. and Mrs. Phin Prouty (Donna Reed), and Lt. and Mrs. L. B. Murphy (Artie Lee Butler).

Al has been seeing quite a bit of Betty Ann Lilly lately. Wonder if this is getting serious? Joe and Hookey have been double-dating with them. For information ask them.

Bob Hann must be pretty hard up. He sits in Civics with a 10c Hershey bar on his desk, and I heard him saying, "Who wants to go steady with me for half my Hershey bar?" Well Hann, I guess we know about you.

Sighted over the weekend raising heck in general: Manon and Hoover, Smitty and Norma, Julie and Jim Liechti, M. M., Gene Sawyer, U. S. N. and Cecil, and Jo and Dick.

New in school this week, Katherine Platis, a Freshman.

If the ole town looks a little deserted this weekend don't be surprised. Most everyone is going to L. A., Long Beach, or Berdoo.

Toni, after waiting a week, finally received a letter from that husband of hers. Incidentally, he has gone back to sea again.

Well my vacation will never last if I keep pounding out the dirt so I'll sign 30 to this edition. See you next week.

Babs Neel Elected Carnival Queen of G.A.A. Event

Babs Neel, popular member of the Junior class, was elected Carnival Queen, at the G. A. A. carnival, Friday, April 14. One girl from each of the four classes was chosen to represent her class at the carnival. They were: Marilyn Crockett, Freshman; Joanne Hookey, Sophomore; Babs Neel, Junior; and Helen Louise Williams, Senior.

Students voted for their choice at the carnival by depositing the stub of their ticket in large glass jars with the contestants name printed on them.

Near the end of the evening the ballots were counted and it was found that Babs Neel had won. A crown of white carnations was placed on the queen's head by Barbara Emigh, master of ceremonies.

Penny-pitch, fortune telling, picture taking, caricature sketches and dart throwing were enjoyed throughout the evening.

These novel ideas were thought up by the individual classes. Each grade carried out one concession.

The Freshmen put up a dart board and gave prizes to those who hit the mark. The Sophomores had Mr. Paul Summers take comic pictures of the students.

Art Jones of the Junior class drew caricature sketches of the various students present. Toni Lowe Blackburn told fortunes for the Senior class. Refreshments were sold by the Girls' League.

Proceeds of the dance went to the G. A. A. and the Girls' League who arranged the carnival.

Students danced throughout the evening to the music of the Army Air Force orchestra.

May We Introduce

BY JO AND BOB

THE BOY OF THE WEEK:

When I walked into room 10 the other day I saw a familiar figure slumped over the "funnies." I said to myself, here is a likely victim. I popped a few questions at him and here's the results.

This hunk of man was born in Okarace, Oklahoma, August 18, 1926. He measures 5' 7 1/2". He has brown hair and green eyes. Of course, this well-known figure belongs to the mighty Senior class. (Plug!)

He is highly ambitious. When school is out he just wants to sleep until his "Uncle" sends him his "Greetings," sometime after August 18. He hopes to be a gunner in the Army Air Corps. We know this lad will make the grade.

Kay Kayser's music is definitely for him and "Blues in the Night" is really sending.

As for his love life he only said, "Nice girls" they have in Beaumont.

He'll eat anything that doesn't eat him first. But he dotes on pumpkin pie.

His pet peeve is women who smoke. (Need more be said?)

Of course you would recognize him up town with his Union Ice hat on. It is the guy we kid about being the Oakie Ice Man. Our good natured friend—John "Bud" Foster.

THE GIRL OF THE WEEK:

This week we have a lovely young Junior girl. This girl was born in San Pedro, February 14, 1927, (St. Valentine baby). She has China blue eyes, and brown hair, weighs 138 pounds, and is 5 feet 9 3/4 inches tall.

Her favorite foods are squash and watermelon. Her favorite ambition is to be an "Interior Decorator" (if she ever manages to get out of high school). You will find her running around school with "Cary" Cobb, Edith D. and Pet M.

Harry James is her favorite band leader, and when he plays "Sleepy Lagoon" (B-wang!) Her favorite actor is Turhan Bey and her favorite actress is Joan Bennett.

Her favorite class is art, and (Maxie) Vaucher is her favorite teacher. After the war is over she wants to go to Indiana (to start growing corn). If you don't know her by now, May We Introduce—Lila Lee Lilley.

THIS IS IT!

This is the 1944 "In the Rough" edition of "Smoke Signals."

Once each year the Journalism class of the high school has the responsibility of getting out copy of the Smoke Signals "on its own." This is the week. Copy on this page has been written, edited, and typed by students themselves without benefit of advice or correction in any detail. Not even assignments are made for student stories.

This project is conducted annually to strengthen the student writer's sense of responsibility and to satisfy readers that students can write copy that does not need excessive editing.

Norma Jean Mabrey Given Award For Outstanding Girl

BY TRUDY SAWYER

Each year the Girls' Athletic Association awards a two-inch white chenille star to the most outstanding girl. This year the award was made to Norma Jean Mabrey. During four years in the G. A. A. Norma has received 700 points. This far exceeds the minimum requirement of 600 points for a six-inch white chenille letter.

In her Freshman year Norma was very active in the association but it was not until her Sophomore year that she was elected secretary. It was also during this year that she helped a great deal with the preparing of Playday, held in 1942 in Palm Springs for the East Riverside County League.

She was one of the three girls, two years ago, who made it possible for the Annual G. A. A. Convention to be held in Palm Springs the following year. Due to war shortages, it was not possible to hold this convention. Instead the G. A. A. News Letter was published. Of this Norma was assistant editor. At this time she was serving her second year as secretary of the association. This year Norma has held the office of vice-president.

Two other girls, Tony Lowe Blackburn and Helen Louise Williams, received their six-inch white chenille letters. This is very unusual as in previous years the number of letters awarded has not exceeded two.

The maroon and white G. A. A. emblem is awarded when a girl receives 200 points. This year Sallie Lockett, Julie Martineau, Carol Burkett, Geri Boyer, Petronella Mutascio and Barbara Smith received their emblems. Barbara Smith is the first girl to earn an emblem in her Freshman year.

Mrs. Ramsey presented eight trained canaries in several clever acts. She says hers is the only trained canary act in the world to her knowledge. Mrs. Ramsey has trained over 1000 birds and has sent them over the U. S. and the Hawaiian Islands.

The secret of her success is love, patience, and determination. "It sometimes takes weeks and weeks to train a bird for one simple act," declared Mrs. Ramsey.

She related some of the facts about canary birds. They did not originate in Europe but in the Canary Islands many years ago. She explained some of the simple rules for caring for canaries in the home.

"Dot," one of Mrs. Ramsey's prize birds, is able to fire a miniature cannon and not flinch at the sound. This is a great feat, Mrs. Ramsey explained. "Patsy," another of her birds, played sick while another bird pulled the "Doctor" in a cart. These were just a few of the amazing acts these little "troupeurs" performed.

The students are not the only ones who enjoyed themselves, as the birds had a grand time "exploring" the auditorium.

The students' reaction to this national assembly was "Now I have seen everything."

RULING A GOOD ONE

Should the students go arm-in-arm and "Neck" on the school campus

Complaints have been made about the students going arm-in-arm and "necking" on the school campus. Because of this a new rule has been made in Palm Springs high. The students may only hold hands now. If they are caught arm-in-arm they will be publicly embarrassed in assembly.

There are several couples going "steady" in school. Popular opinion is that this rule was directed at them. It was directed at the whole school and not one couple in particular.

We all believe, even though we won't admit it, that "Necking" on the school grounds does not look good. As students, we can see the boy's and girl's point of view as well as the school's.

Some of the students are not taking this rule seriously, but it is serious and will be strictly enforced.

Students "under Maroon and White" are allowed much freedom in their dress. Some say, "If the girls may dress as they please, what is wrong with going arm-in-arm around the school?" Because Palm Springs is a resort town, and because it gets so intensely hot during the fall and spring months, shorts and slacks are worn by the girls almost exclusively.

This new rule is not unjust or too strict and it will serve to make Palm Springs High a better school in the future.

—MARGARET WALKER

Trained Canaries Presented Monday In Fine Program

Palm Springs High Wins Championship On Softball Loop

After weeks of grueling practice the Palm Springs team has finally achieved their goal. They have won the softball title of this league, although they have one more game to play. This was made possible because Banning was defeated by Beaumont, and the Indians won their last game.

The Redskins won their fifth consecutive game last Thursday, the score being 8 to 2. The Indians played one of the most remarkable games in the eyes of the spectators, played this season.

The Arabs from Coachella were outplayed in every phase of this shoutout. With the Indian pitcher, Devers, holding them down to 5 hits and Devers' teammates getting 11 hits off of Covington, the so-called pitching sensation from Coachella. The Indian, who pitched another terrific game, struck out twenty-one players.

The starting lineup was as follows: Devers, p; Sandeffer, c; Outcault, 1b; Moore, 2b; M. Smith, 3b; Jurado, ss; G. Smith, lf; Kaitukoff, cf; Privitt, rf; Bell, sf.

The Indians have one more game scheduled for this Friday night at 7:30 with Banning. The admission is, students free, adults 25c. These boys should have a lot of credit for their outstanding efforts. So every one who likes softball please be out at the Field Club to watch them win.

Rehearsals Pepped Up For Senior Play Scheduled May 12

With only four weeks left before the presentation of the senior class play "Skedding," rehearsals are being stepped up.

The cast this week is working on characterizations, without the aid of scripts.

According to Miss Gaylord, director, the cast is progressing very well, considering the fact that only a few of the cast members have had any previous acting experience.

Miss Gaylord announced to the cast that there will be no prompters back stage the night the play is presented.

Rehearsals have been held at the home of Helen Louise Williams but now the cast members will meet in the high school auditorium. Miss Gaylord declares that the size of the auditorium will help the cast learn to project their voices.

The play will be given for the Palm Springs public the night of May 12, in the Plaza theatre.

414 Given Chest X-Ray By Mobile Unit Sent Here By County Association, Report of Mrs. Holderman to Welfare Society

Mrs. Madge Holderman, public health nurse, Wednesday reported to the Welfare and Friendly Aid association, in session at the Health Center on Amado road that 414 persons appeared at the center last Friday between 10:30 a. m. and 4:30 p. m. for chest X-rays when the mobile unit sponsored by the County Tuberculosis association in the Village.

The center had expected 300 to be present.

Mrs. Holderman expects to receive the prints from the X-rays soon and will notify those who should appear when Dr. F. M. Pottenger, of Monrovia, comes here on April 29. Those who are

not notified, need not appear.

Katherine Finchy reported to the meeting that progress on the Girl Scout program was satisfactory.

Dr. Wilbur of Cathedral City, former head of the San Francisco city and county hospital, who was visiting the Health Center at the time, addressed the gathering. He spoke on the history of hospitals and of the great need for one in the Village, expressing much interest in the progress of the campaign to build a community hospital here.

Mrs. Harold Hicks, president, presided at Wednesday's meeting.

PLAYS ACTION

When it came up for passage, Tom Lipps arose from the audience and declared that it was "lame duck" legislation. He said that at the election a week ago four new councilmen had been elected, indicating a dissatisfaction with the former regime and that, if the old council enacted any legislation, he would call upon the new council to repeal it.

Senator Leonard Defani, who appeared for the coin operators two weeks ago, again spoke in their behalf and said it was out of line for the city to ask as much license for coin machines as the federal government did.

UP TO OLD BOARD

He said that he had been promised that the new council would handle the measure. Mayor F. V. Shannon told him that that had been the intent but that he had been advised that the old council had to complete all unfinished business.

Reuben Miller interrupted to say that he did not see why the council had to be so concerned over Mr. Cooper and his associates—Mr. Cooper being Senator Defani's client—and that he thought the ordinance was fair.

Councilman John Connell moved the adoption of the ordinance and on the roll call, the vote was unanimous.

ASKS REPEAL

Then followed the reorganization of council as four new members took their places. At the close of the session when the new mayor, Eugene E. Theriault asked if anyone in the audience had any comments to make, Mr. Lipps again rose and announced that he was calling on the representative from his district (Clarence Hyde) to move for repeal of the measure. Before Mr. Hyde could reply, Mayor Theriault interposed the statement that those objecting should prepare facts and figures and present them to council at its May 3 meeting if they wished consideration.

The measure is not an emergency ordinance and is not effective for 30 days.

Scenes of Desert Bring Pleasure to Far Off England

In far-off England many persons are getting enjoyment out of colored movies of Palm Springs, sent them by Mr. and Mrs. T. D. A. Cockerell of the Desert Museum here.

Grateful letters of appreciation for the gifts have been received by the Museum officers from England.

The latest film sent overseas depicted Palm Springs vicinity bedecked with wild flowers.

Harry Edington, formerly with the Arthur Lyons agency, is in Palm Springs for rest and vacation.

nating committee for officers for the year were unanimously approved and the officers as listed above were elected.

President Lykken then turned the gavel over to the new president, Gordon Feelings, who took over.

APPRECIATION VOICED

First business under the new president was the unanimous and enthusiastic adoption of a resolution expressing the thanks and appreciation of the Chamber of Commerce to Carl Lykken for the able, progressive and business-like manner in which the chamber was conducted under his regime.

Present at the meeting were Mr. Lykken, Mr. Crocker, Mr. Isenagle, Mr. Ingram, Mr. Crockett, Mr. Feelings, Mr. Dayhoff, Mr. Kofeldt, Joe Buler, Earl Coffman, Raymond Cree, Frank Cutler, Phillip Delano, Clarence Hyde, Dr. Frank Purcell, Mrs. Helen Peterson, Herbert Samson, Mayor Frank V. Shannon.

Next meeting of the board will be held on May 2.

Mrs. William Malouf last weekend enjoyed a visit from her sons, Jerry and Garey Malouf, who were down in the Village on a short vacation from Black Foxe Military Academy which they are attending.

Hendricksons Have Great 2-Week Outing

Mr. and Mrs. R. J. Hendrickson, owners and operators of Ramon Trailer park, are back in the Village after a two-week vacation spent as guests of Mr. and Mrs. Cook, owners of Treasure Island Trailer park at Laguna Beach, one of the most beautiful parks on the coast.

They had an enjoyable time fishing and resting. Mr. Hendrickson is boasting of one 12-pound halibut he caught. The weather was nice but cool and they are glad to be back on the desert.
